

**Tired of consumer complaints  
about these difficult-to-open cartons?**

**A Titan Adhesives sealing process assures  
satisfaction for manufacturers and  
ease-of-use for consumers—every time.**

**We know that our glue holds together your profits.  
We're TITAN, and we've been producing custom adhesives for cigarettes  
and small cigars for over 30 years.  
You can't see it, smell it, touch it, or feel it, but it had better be there—every time.  
*Easy-Pop 9067 Hot Melt Adhesive*  
Contact us for a custom analysis of your adhesives needs.**
